

Mila is a brand, specialized in the production of high-quality specialties.

We are specialized in formed meat products and the production of top-quality Carpaccio's.

Our various tournedos products are available in several common standard weights, stretch form packed per 1, 2 or 3 pieces in small 'attracting' window boxes.

If desired we are able to produce the meat made to measure; totally according to calibration and packaging specifications of the customer. Private label belongs to the possibilities
